To our travel partners,

With the World Health Organization's classification of the COVID-19 outbreak as a global pandemic, we've had to postpone our WordPress conference (WordCamp Bucharest 2020) in Bucharest, Romania, originally scheduled for April 25<sup>th</sup>, 2020.

We ask that you consider waiving any penalties due to this global health crisis, taking into account that the Romanian Government issued a ban on all events with over 100 participants.

We appreciate your support in this, and I know that the WordPress community will be eternally grateful.

Regards,

Cezar Cazan & Rodica Irodiu
